

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear travesty!

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But, Sinclair seems to think that obligation does not apply to them. "Serve the Public Interest" does not mean serve only part of the Public Interest!

Instead of something produced at "News Central" far away, it's more important that we see real people from our own communities and more substantive news about issues that matter.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
